Hi Alex,

Attached, please find EPA's comments on the Christenson Oil draft SCD. Sorry for the lateness. Please call or email if you have questions. Thanks.

Hi Eva.

Just checking in on this one since Matt sent it out for review on Aug 11th. We received comments back from the Tribes and are ready to move forward with the last bits in conjunction with the RP in order to finalize the decision. Matt indicated that he checked with you a few weeks back and that you were finalizing comments. Since we are well over 30 days, I was hoping you could let me know when those will be submitted or not.

Thanks and have a nice weekend.
